

Value Added in Motion. The Future Geography of Production, Migration and Energy

May 14-15 2015, University of Milan

Programme

May 14 2015 **Presentations of first drafts of commissioned academic papers**
University of Milan, Via Conservatorio 7, Room 27

13:00 – 14:00 **Registration and lunch**

14:00 – 14:30 **Welcome and introduction**

Carlo Papa, *Director, Enel Foundation* and **Giorgio Barba Navaretti**, *University of Milan and Centro Studi Luca d'Agliano*

14:30 – 19:10 **Session I – Energy. Chair: Marzio Galeotti**

14:30 - 15:15 **Arik Levinson** (*Georgetown University and NBER*): "Industrial Energy Intensity: Prices, Policy, or Industrial Composition in US States".

15:15 - 16:00 **Reyer Gerlagh** (*Tilburg University*)/ **Nicole A. Mathys** (*Swiss Federal Office of Energy and University of Neuchâtel*)/ **Sylvain Weber** (*University of Neuchâtel*) / **Daniel Moran** (*Norwegian University of Science and Technology*): "CO2 Embedded in Trade: Trends and Drivers".

16:00 – 16:30 **Coffee break**

16:30 - 17:15 **Marzio Galeotti*** (*University of Milan, LdA and IEFE-Bocconi*) / **Elena Verdolini** (*Fondazione EnI Enrico Mattei and CMCC*) / **Silvia Salini** (*University of Milan*): "Measuring Environmental Policy Stringency: Approaches, Validity, and Impact on Energy Efficiency".

17.15 - 18:00 **Rick van der Ploeg** (*University of Oxford, CesIfo and CEPR*): "Rapacious Oil Exploration in Face of Regime Switches: Breakthrough Renewable Energy and Dynamic Resource Wars".

18:00 - 19:00 **Future scenarios of Value added, Migration and Energy in Europe**
Lionel Fontagné (*Cepii, Paris*)

19:00 - 19:10 **Conclusions and remarks from chair**

May 15 2015 **Presentations of first drafts of commissioned academic papers**
University of Milan, Via Sant'Antonio 10, Sala Napoleonica

9:00 - 12:30 **Session II – Migration. Chair: Giovanni Facchini**

9:00 - 9:45 **Frédéric Docquier*** (*FNRS and IRES, Université Catholique de Louvain*) / **Joël Machado** (*IRES, Université Catholique de Louvain*): "Income Disparities, Population and Migration Flows in the 21st Century".

9:45 - 10:30 **Christian Dustmann** (*University College London, CReAM and CEPR*) / **Francesco Fasani** (*QMUL, CReAM and LdA*) / **Xin Meng** (*Australian National University*) / **Luigi Minale*** (*UCL and CReAM*): "Risk Attitudes and Household Migration Decisions".

10:30 – 11:00 **Coffee break**

11:00 - 11:45 **Giovanni Facchini** (*University of Nottingham, University of Milan, CEPR, CesIfo, IZA and LdA*) / **Maggie Liu** (*Georgetown University*) / **Anna Maria Mayda*** (*Georgetown University, CEPR, CreAM, IZA and LdA*): "The Political-Economy Drivers of China's 'Hukou' System".

11:45 - 12:30 **Bernt Bratsberg*** / **Oddbjorn Rauum** (*Frisch Center, University of Oslo*): "Migrant Labor in the Norwegian Petroleum Sector".

12:30 - 12:40 **Conclusions and remarks from chair**

12:40 - 13.45 **Lunch**

13:45 - 17:25 **Session III – Geography of Value Added. Chair: Gianmarco I.P. Ottaviano**

13:45 - 14:30 **Gordon Hanson** (*University of California, San Diego, and NBER*): "Who's Offshoring Now? Industries and Countries in Global Production Sharing".

14.30 - 15:15 **Shang-Jin Wei*** (*Asian Development Bank*) / **Zhi Wang** (*US International Trade Commission*): "Characterizing Patterns of Global and Regional Manufacturing Value Chains: Stable and Evolving Features".

15:15 – 15:45 **Coffee break**

15:45 - 16:30 **Keith Head*** (*University of British Columbia and CEPR*) / **Thierry Mayer** (*SciencesPo, CEPII and CEPR*): "Brands in Motion: Why don't Car Makers do More Offshoring?".

16:30 - 17:15 **Diego Puga** (*CEMFI, Madrid and CEPR*): "The Changing Distribution of Firms and Workers Across Cities".

17:15 - 17:25 **Conclusions and remarks from chair**

This conference has been organised within the "Value Added in Motion (VAM)" project, developed in partnership with Enel Foundation.
